### Employment Rates for Graduates of MA-SLP Program

(Results are from our Alumni Survey, conducted in July 2006. Data are for individuals who graduated between 2003 – 2006.)

- o All of the respondents to our survey indicated that they were employed in at least one speech-language pathology position after graduating.
  - o 98% of these individuals signed an employment contract within 3 months of graduating.
  - o 44% of these individuals had signed an employment contract prior to graduating.
  - o 61% of these individuals were offered employment at the site where they did their externship.
