

## ***CLINICIANS' MEETING AND GRAND ROUNDS***

Fall semester clinicians' meeting and grand rounds will be held on Mondays during 9th period (4:05-4:55 p.m.) in Turlington Room 2334. Attendance at Clinicians' Meeting is mandatory, with more than one unexcused absence having a negative impact on your clinic grade for the semester.

We will have speakers and address a variety of "executive functions" that will help you persevere through graduate school and your professional life. There will be some student presentations on a variety of topics as well. Let Mrs. Vinson know if you have any topics you would like to have covered.
